ESALA

FROM PAPER TO PULP (AND BACK AGAIN)
28 & 29 May 2022, 10.00-11.00am (online)

Clipscore 1 explores the transformation of ESALA's waste paper into handmade drawing and printing paper. Over the course of two afternoons students will collect and draw unwanted and waste paper from ESALA's studios and offices, experiment with pulps, then roll new paper to be dried and then printed. The workshop will be facilitated by Lucy Hain, a graduating student of the Masters in Landscape Architecture programme and Anna, Proctor, ESALA.

All students from ESALA are welcome to register. Please only register if you intend to participate, as the number of places available will be limited, and will be allocated on a first-come first-served basis.

Book your place here: <https://www.eventbrite.co.uk/e/clipscore-public-lecture-series-2021-22-tickets-21482099799>
